QUALITY ASSURANCE

Our carpet is manufactured in a facility that has a management system certified as being in accordance with ISO 14001.

Full warranty details are available on www.normanellison.co.nz.

Please note that colour reproduction may vary from sample due to dye lot variation.

This carpet has been treated with insect resist agents.

Shading or permanent pile reversal, which results in some areas being darker than others, may be evident in some cut pile carpets. This is a natural phenomenon, not a manufacturing fault, and will not affect the durability of the carpet.

It is recommended that this carpet be installed and maintained in accordance with AS/NZS 2455.1:2007 and AS/NZS 3733:1995 unless otherwise specified.
